

MN BPA STATE OFFICER **NEWSLETTER**

Term: January | Issue 2 | Date: February 8, 2018

REGION OFFICER SPOTLIGHT

Region Officers help with the planning and execution steps in order for their Region Conference to be superb. The State Officer team would like to shine a spotlight on two Region Officers.

Joanna Chen, Region 2 President, and senior at East Ridge High School. During her 3 years as a BPA member, she has increased her confidences, public speaking skills, and created friendships with members from around the State and Nation-wide.

Avery Nelson, Region 7 Secretary, and senior at Benson High School. She enjoys drinking coffee and being with friends. BPA for the past 3 years has taught her so much about time management and leadership skills.

LOCAL CHAPTER SPOTLIGHT

Chisago Lakes and Tri-City United are this month's spotlight local chapters.

Chisago Lakes taught several Special Ed students the importance of proper budgeting, and they used said knowledge to acquire gifts for the Anonymous Santa Organization.

Tri-City United sold hats to local business and community members as a way to fund-raise for the State Leadership Conference.

MESSAGE FROM THE STATE OFFICER TEAM

During the month of January, we traveled roughly 654 miles in order to attend 7 out the 8 Region Conferences. We had a swell time interacting with Region members and advisors, while sometimes serving as judges, proctors, or graders. Once again congratulations to all members for their accomplishments at their Region Conference, and we can't wait to see everyone at the State Leadership Conference in 27 days!!
